

Gvision V1

Ruggedized Universal Monitor

The Gvision V1 is a universal inspection monitor built for various camera reels. The Gvision features a militaristic design for extreme durability and can mount on a reel or tilt on its cover to view at angles. The Gvision V1 can be upgraded to a Gvision V3 with a DVR.

Features

Universal: will power various camera reel brands including RIDGID®

Sunlight viewable: no shade required to see a vivid picture on the screen

Ruggedized: made with heavy-duty aluminum

Upgradeable: can be upgraded into a Gvision V3 with a DVR.

Made in U.S.A.

Lifetime Warranty on Materials and Workmanship
