

Gvision V3

Ruggedized All-In-One Monitor

The Gvision V3 is the only One-Touch record drain inspection monitor to record high quality videos onto an Apple® device via direct-connect with a lightning to USB cord. Built for multiple camera reels, the Gvision features a militaristic design for extreme durability. Mount on a reel or tilt on its cover to view at angles.

Features

Universal: will power various camera reel brands including RIDGID®

Sunlight viewable: no shade required to see a vivid picture on the screen

Ruggedized: made with heavy-duty aluminum

Advanced DVR: One-Touch record technology will record onto a flash drive, hard drive and Apple®

Made in U.S.A.

Lifetime Warranty on Materials and Workmanship
